A school-age child seeks out new information, experiences and challenges in play. A child in this age group is influenced by peers and is extremely social. This age group may prefer group activity items such as:

- Sports equipment; 
- Bicycle and helmet; 
- Roller skates with protective gear; 
- Books; 
- Simple model and craft kits; 
- Coordination or memory games (Jenga, Simon, Perfection, Mastermind); and 
- Building and construction sets.
