A school-age child seeks out new information, experiences and challenges in play. A child in this age group is influenced by peers and is extremely social. This age group may prefer group activity items such as:

- Sports equipment;
- Bicycle and helmet;
- Roller skates with protective gear;
- Books;
- Simple model and craft kits;
- Board games (e.g., Trouble, Parcheesi, Checkers);
- Coordination or memory games (Jenga, Simon, Perfection, Mastermind);
- Building and construction sets.
