

# Conference Crystal

case study  
By Alison Andrews

Location: Iselsberg, Austria

**Architect:** MHM Architects

**Owner:** Eurovital Immobilien GmbH

**Year of completion:** 2010

**Climate:** Marine West Coast

**Material of interest:** Glass

**Application:** Exterior Cladding

**Properties of material:** Glass was used to provide views out to the mountain range from all areas within the building. At the same time, this type of facade creates an interesting effect when the landscape reflects off the glass surface.
