

Toyota, Japan

**Architect:** Katsutoshi Sasaki + Associates

**Owner:** Katsutoshi Sasaki

**Year of completion:** 2017

**Climate:** Humid Subtropical Climate

**Material of interest:** Wood

**Application:** exterior & interior

**Properties of material:** In contrast to the dark exterior facade of painted wooden planks, the interior is lined with natural Falcata plywood. Because of its various types of beautiful colours and resistance to warping, cedar can also be used for interior panelling in rooms around the house.
