

Theatrical Apartment

case study
By Ruizhu Han

London, UK

Architect: APA

Owner: N/A

Year of completion: 2016

Climate: Humid Subtropical Climate

Material of interest: metal

Application: Interior

Properties of material: A black metal cube influenced by the original fire doors was added to the middle of the apartment. With surfaces that slide open and closed, the cube incorporates raw steel walls, blackened mesh screens, metal shelves, recesses and decorative niches.
