Life Insurance in Trust

WHEN you place your life insurance in trust, you handle it just as the experienced and far sighted capitalist handles other property under will.

If your desire is to protect your family and to see that they get the utmost good out of the life insurance you leave them, come in and talk with an officer of the St. Louis Union Trust Co. He will gladly explain the Insurance Trust idea as it might apply to your own family situation.

You may create a life insurance trust by depositing your policies with the St. Louis Union Trust Company and signing an agreement authorizing it to collect the proceeds, invest them, and pay the income and such parts of the principal as you may direct. You continue to pay the premiums as before. This agreement may be changed or revoked as desired.
